

Sponsor Western Wildlife Corridor at our Fall Foliage Fest Event

Western Wildlife Corridor, www.westernwildlifecorridor.org, is a nonprofit organization that is dedicated to preserving over 300 acres of wooded hillsides along the Ohio River on the West side of Cincinnati. Our mission is to *protect, restore, and preserve* natural habitat and to *provide* education to *foster* connections with nature. Being a mostly volunteer organization, we rely heavily on wonderful donors such as you to support our cause.

On Saturday, **October 17th, 2020** we are holding our **first ever Fall Foliage Fest** to glance at the beautiful trees around us, noticing the fruiting trees and the beautiful fall colors. The fundraising event will include *two hikes at our developed preserves* and a *native plant sale*. Sponsoring the fall foliage fest will mean that your businesses logo will be displayed on our website, social media, and projected in the nature center the day of the event.

First, choose your level of sponsorship:

- Blue-eyed Mary Recognition \$50 to \$100
- Paw Paw Steward Recognition \$100 to \$199
- Beech Tree Steward Recognition \$200 to \$499
- Red Oak Recognition \$500 to \$999
- Black Walnut Recognition \$1000 or more
- Other Amount

Second, send us your logo

- If you are sending us a check, email staff@westernwildlifecorridor.org the name of your organization, level of sponsorship, and attach your logo.

Last step, you can make a donation as a sponsor by:

Sending a check payable to Western Wildlife Corridor, stating that you are a sponsor in the memo line.

We are incredibly grateful for your support and donation, and are excited to display your organization for our members, volunteers, and guests to see!

If you have any questions or would like more information regarding the event feel free to email us at staff@westernwildlifecorridor.org or call at (618)889-9767.
